

Reloading Your Debit Card

Here's how:

1

Find a ReadyLink location near you:

<https://usa.visa.com/pay-with-visa/cards/services-locator.html>

In the "I'm looking for" dropdown box, click ReadyLink then enter your address in the "located near" field.

2

Check for fees:

It's important to know what fees retailers charge for cash reloads. You may want to call ahead and ask.

3

Load your card:

Go to the location of your choice and add money to your card. At most locations you can just swipe your card at the register.
